DECISION ON ATTORNEY'S FEES AND COSTS¹

On December 29, 2016, Alceo Lucarelli ("Petitioner") filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"), alleging that, as a result of receiving an influenza ("flu") vaccination on October 20, 2014, he suffered a shoulder injury related to vaccine administration ("SIRVA"). (See Petition at 1). On August 21, 2019, a decision was issued by then-Chief Special Master Dorsey awarding compensation to Petitioner in the amount of \$80,380.54. (ECF No. 56).

¹ Because this unpublished ruling contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the ruling will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Petitioner has now filed a motion for attorney's fees and costs, dated November 12, 2019, (ECF No. 60), requesting a total award of \$34,820.50 (representing \$31,712.70 in fees and \$3,092.16 in costs). In accordance with General Order #9, counsel for Petitioner filed a signed statement representing that Petitioner has incurred out-of-pocket expenses in the amount of \$15.64. (ECF No. 61). Respondent reacted to the motion on November 13, 2019 indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case and defers to the Court's discretion to determine the amount to be awarded. (ECF No. 63). Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. § 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award the following:

Accordingly, petitioner is awarded the total amount of \$34,820.50³ as follows:

- **A lump sum of \$34,804.86, representing reimbursement for attorneys' fees and costs, in the form of a check payable jointly to Petitioner and Petitioner's counsel and**
- **A lump sum of \$15.64, representing reimbursement for petitioner's costs, in the form of a check payable to Petitioner.**

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.⁴

³ This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See *generally Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

⁴ Pursuant to Vaccine Rule 11(a), the parties may expedite entry of judgment by filing a joint notice renouncing their right to seek review.

IT IS SO ORDERED.
